Mission Statement

Connections is a program of Ferry County committed to eliminating homelessness and domestic and sexual violence in our homes, relationships, and communities of Ferry County. We provide safe, accessible, and confidential services to those affected by these issues. We are dedicated to social change through community education and outreach.

Ferry County—Connections

Community Education
Presentations & Trainings

Ferry County—Connections provides services to victims of domestic violence, sexual assault and victims of other types of crime and the homeless throughout Ferry County.
Community Education

We are dedicated to eliminating all forms of violence. Because of this commitment, Connections works closely with local schools, community agencies, business and individuals concerning the prevention of domestic violence and sexual assault. We view community members as resources and partners in prevention. Our program is committed to changing the underlying conditions that support violence.
